

Cleveland Clinic Laboratories

# Helping you do more with less

Introducing Test Utilization Support for  
Cleveland Clinic Laboratory Clients

# Cleveland Clinic's Test Utilization Program

## Trust Cleveland Clinic's Test Utilization to help your hospital

- Improve patient care by increasing adherence to evidence-based testing guidelines and trusted algorithms
- Improve patient satisfaction with fewer phlebotomies, less risk of complications, greater patient satisfaction
- Decrease direct costs associated with in-house and send-out testing
- Decrease downstream costs of treatment for false positives and negatives
